LIMITED FIVE YEAR WARRANTY

Limited Warranties

Deco-form® doors, drawer fronts, moldings, bottle racks, valances and fillers, manufactured by Decore-active Specialties are warranted by Decore-active Specialties to the customer against defects occurring in the manufacturing process, subject to the terms and conditions as stated in the Warranty certificate.

Decore-active Specialties also guarantees its Deco-form® products against delamination, irregular surface discoloration, warpage or twisting for a period of five (5) years from the date of purchase. The warranty only covers defects as specified herein and does not include defects or damages attributable to misuse or normal surface weathering, or defects or damages caused by accidents or fire or other casualty or Acts of God, or any other causes or occurrences beyond the manufacturer's control. The exclusive remedial action provided for the customer hereunder shall be repair, restoration, replacement or return and refund of the products manufactured by Decore-active Specialties found to be defective.

The replacement of new materials for those as may be defective may result in a color variance in comparison to the originally installed Deco-form® products due to style and color changes by RTF (Rigid Thermo Foil) manufacturers and is not indicative of a defect. The manufacturer reserves the right to substitute such RTF colors as are then being manufactured and is only obligated to match color and quality with such products as it is manufacturing at the time of replacement.

What we will do to correct problems

If the manufacturing by Decore-active Specialties of a product causes product delamination, yellowing, discoloration, warpage or twisting under ordinary wear and conditions (and is not otherwise excluded from coverage), we will repair or replace the warranted components at the following charges for material. Material will be covered at the net invoice price of the doors as sold by Decore-active Specialties.

Exclusions and Conditions -

This is an important part of your warranty. Please read carefully.

- This Warranty specifically excludes the following:

 - Damage resulting from extreme moisture (bleaching, etc.), condensation and moisture formation where condensation is caused by excessive in-house relative humidity or by appliances generating steam vapors.
 - Damage resulting from impairment of structural strength or damage when fitting or applying hardware or mounting or affixing objects to the surface of any products such as that resulting from discoloration, scratches or dents as a result of abuse.

 - It is recommended to use melamine filler between all heat sources and the cabinet.

- Fading or oxidation of finishes due to atmospheric changes and normal weathering.
- Damage resulting from installation, repair or any other labor performed by installers of the product.

2. With respect to any and all products manufactured by Decore-active Specialties the following stipulations will be in force and are acknowledged to be part of this Warranty.

 - Any claimed manufacturing defect is subject to inspection by Decore-active Specialties personnel and final determination of the cause of such defects will be made by Decore-active Specialties or their representative.
 - Any repair or replacement shall be performed by Decore-active Specialties within a reasonable period of time, not to exceed ninety (90) days following Decore-active Specialties' determination that a condition of defective manufacture exists.
 - In the event that any component part or product covered by this Warranty is not available, Decore-active Specialties has the right to substitute part(s) or product(s) of equal grade and quality.
3. The warranty period on any part or parts of the Decore-active Specialties products which are replaced or repaired pursuant to this Warranty shall be limited to the following prorotation of that period, effectively reducing our warranty liability over time.

5 Year Proration:

During the first year of the warranty	100% of replacement cost
During the second year of the warranty	80% of replacement cost
During the third year of the warranty	60% of replacement cost

NO ACTION REGARDLESS OF FORM, ARISING OUT OF THE TRANSACTIONS UNDER THIS AGREEMENT MAY BE BROUGHT MORE THAN ONE YEAR AFTER THE CAUSE OF ACTION HAS OCCURRED.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
