

Care and Maintenance

Gloss Finish

Clean with liquid detergent or foam cleanser. For stubborn spots use an automotive polishing compound. Rust, lime and calcium may be removed using commercially available specialty cleaners. DO NOT USE ABRASIVE CLEANSERS.

Matte Finish

Clean with liquid detergent or foam cleanser. For stubborn stains use a mild abrasive cleanser.

Prevent Surface Damage

Avoid prolonged contact with strong chemicals such as paint remover or fingernail polish remover. Direct contact with hot combs or curling irons can damage the vanity top surface. It's best to use a hot pad to protect the surface from very hot appliances.

10 Year Limited Warranty

Marbelite Corporation warrants this product to be free of manufacturing defects. Marbelite Corporation will at its election, repair, replace or make appropriate adjustments where our inspection reveals any such defects have occurred in normal usage within 10 years from date of purchase. This warranty does not cover any labor charges incurred during the removal or reinstallation of this product. This warranty applies to the original owner, when product is used in a residential application, has been properly installed, and was not damaged due to misuse or abuse. Implied warranties including that of merchantability are expressly limited in duration to the duration of this warranty. Marbelite Corporation disclaims any responsibility for consequential damages. This warranty gives you specific legal rights. You may also have other rights which vary from state to state. This is our exclusive written warranty.
